## Experience the ultimate hygiene and style with TURLT<sup>®</sup> sanitary gelcoat

SANITARY GELCOAT

Transform your bathroom into a sanctuary of cleanliness with TURLT<sup>®</sup>'s sanitary gelcoat washbasins. Our cutting-edge technology creates a non-porous surface that effectively blocks germs and bacteria from attaching to the basin. This makes cleaning easy, leaving you with a spotless and hygienic bathroom.

COMPOSITE MARBLE

Made from a blend of marble dust and chips, bound together with resin and pigment, it offers a strong foundation for the gelcoat finish.

HYGIENIC

Effectively prevent the build-up of microbes. With chemical-free materials, our products are not only safe for food contact but also align with our commitment to sustainability. Choose TURLT<sup>®</sup> for a polished, professional look that guarantees customer satisfaction.

GLOSSY SURFACE

Washbasins, featuring a mirror-like shine that is sure to impress. Our glossy surfaces exude a sense of luxury and neatness, adding an extra touch of elegance to any space. And with temperature resistance up to 90°C, you can be sure that our products will stand the test of time.

EASY MAINTENANCE

Simply wipe the surface with a dry cloth and occasionally brush with non-abrasive detergents. Save time and effort while enjoying a polished and professional look with TURLT<sup>®</sup>'s hassle-free cleaning solution.

EASY DRAIN

TURLT<sup>®</sup>'s washbasins feature a unique ribbing and design that makes cleaning and removing water and liquids effortless.
